

Sponsored by IEEE-RAS  
Technical Committee on Space Robotics

## BEST PAPER AWARD

in recognition of best paper contribution to **Workshop on Soft Robotic Systems for Space Application** presented at International Conference on Robotics and Automation in Atlanta, May 2025

awarded to

**Lauren Ervin, Harish Bezawada, and Vishesh Vikas**

Paper Title: Improving Grip Stability Using Passive Compliant Microspine Arrays for Soft Robots in Unstructured Terrain

Professor Yang Gao on behalf of  
IEEE-RAS Technical Committee on  
Space Robotics

Dr. Barbara Mazzolai on Behalf  
of the Workshop on Soft Robotic  
Systems for Space Application
